

**My
World of
Work**

Ambassador Programme

Skills Development Scotland are working with Banchory Academy to train Ambassadors to support students, staff and parents in the use of the My World of Work Website, to develop skills for learning, life and work.

I would like to volunteer for the S3 Ambassador programme and will attend a one day training event on **Wednesday 19th June** in Banchory Academy.

As part of the group I will work to support PSHE classes, staff training and parent events in the use of my WOW website. Volunteering my time will contribute towards employability skills and can be credited by other awards.
