

November 2018

Dear Parents and Guardians

Banchory Open Award Group (BOAG) have now secured enough PVG certified volunteer leaders to be able to offer Bronze level DofE to this year's S3 pupils.

An enrolment evening will take place on Monday 10<sup>th</sup> December from 7pm -8.30pm in the academy lecture theatre and is open to all interested S3 parents and pupils. Existing Silver/Gold leader Trevor Cardy will give a presentation providing an overview of the DofE and requirements of the Bronze Award.

Due to the limited number of new volunteer leaders, (we currently have six available) we are restricted in the number of Bronze DofE places that can be offered. BOAG are able to offer a maximum of 30 places to S3 pupils. Priority will be given to pupils of the volunteer leaders. The remaining places will be allocated from those who have returned their application forms and activity forms by the end of the autumn term (21<sup>st</sup> December). Depending the level of interest and uptake we may need to determine a selection process to finalise enrolment.

We look forward to seeing you at the enrolment evening.

Colin MacLeod  
Bronze DofE Co-ordinator
