The teaching staff within the PE Department strive to foster a culture of support and encouragement where our pupils feel motivated and enthusiastic about their involvement in the variety of activities covered within the curriculum.

The department will provide all pupils with quality Physical Education by

- Encouraging pupils to be active
- Challenging and motivating pupils
- Offer a variety of experiences
- Giving them the skills & knowledge to be active for life.

CODE FOR SUCCESS

Throughout their PE lessons pupils are asked to

- Show respect
- Be positive in their attitude
- Arrive on time: be ready to learn
- Be patient and courteous
- Aim for success

For Health, safety and hygiene reasons pupils should ensure they have a suitable PE kit to change into, specifically:

- **Shorts/tracksuit bottoms /sports leggings**
- **House coloured t-shirt**
- **House coloured hoody.**

NO other T-shirts or hoody's are to be worn as part of a pupils PE kit. If pupils do not have the appropriate PE kit they will be unable to participate

Additionally pupils are asked to

- Remove unsafe jewellery during PE
- Ensure all valuables are not left unattended.
- Long hair to be tied back securely
- Provide a note from parent/carer if they are unable to take part in PE stating the reason and how long they will be unable to participate, however pupils should still bring their kit and get changed so they can carry out specific roles within the class.
