Dear Parent Carer,

## S2 Expressive Arts Evening

On the evening of 16<sup>th</sup> of May 2018 the Expressive Arts Faculty will be hosting an evening of entertainment. Your child will be exhibiting art work that they have completed in school, presenting drama pieces they have worked on in class and performing as part of their music class. As part of our Broad General Course this enables them to fulfil one of CfE outcomes to perform in front of an audience.

The evening is designed to show the breadth of work covered by our pupils. During the evening the Art Department will be open to browse pupils' artwork. Your child's times to perform in drama and music are stated below. Light refreshments will be served throughout the evening in the Central Hall. Pupils are not required to wear school uniform on this occasion.

This is not a ticketed event and there are no admission charges.
